

# How to Search for Available Properties

## **Find a Property:**

The “Find Properties” menu allows you to search for available properties and view maps associated with the property. Each tract of land available for leasing is identified by a Recreational Lease Unit (RLU) number. Hunting clubs are allowed to bid on and Lease as many RLUs as they like.

Land available for leasing is listed geographically by state and county. If your preferred county is not listed, then we do not currently have any property available for hunting in that county. Search results can be filtered by using the drop-down arrows beside each of the search categories.

A search filter form with three dropdown menus and a button. The first dropdown is labeled "State" and has "Select" as the placeholder text. The second dropdown is labeled "County" and has "Select" as the placeholder text. The third dropdown is labeled "RLU" and has "Select" as the placeholder text. Below the dropdowns is a green button with white text that says "Show Property List".
